Personal values

Persistence Creativity

Adaptivity Sociability

Time Management

Skills

HTML Typescript

CSS/SCSS React

JavaScript Angular

Figma GIT

Python C/C++

My name is Anna Goloshchapova, and I am a Frontend-developer.

I like to develop in new areas, and I am also very persistent to achieve my goal. I have just started my journey at TU Berlin, this does not mean that I do not have enough knowledge to do the required work well. Let me prove it to you at the interview!
